West Jersey Health System and JNESO District Council 1, International Union of Operating Engineers, AFL-CIO. Case 4-CA-26251

September 29, 1997

DECISION AND ORDER

BY CHAIRMAN GOULD AND MEMBERS FOX AND HIGGINS

Pursuant to a charge filed on July 14, 1997, the General Counsel of the National Labor Relations Board issued a complaint on July 23, 1997, alleging that the Respondent has violated Section 8(a)(5) and (1) of the National Labor Relations Act by refusing the Union's request to bargain following the Union's certification in Case 4-RC-18804. (Official notice is taken of the "record" in the representation proceeding as defined in the Board's Rules and Regulations, Secs. 102.68 and 102.69(g); *Frontier Hotel*, 265 NLRB 343 (1982).) The Respondent filed an answer admitting in part and denying in part the allegations in the complaint and submitting affirmative defenses.

On August 18, 1997, the General Counsel filed a Motion for Summary Judgment. On August 20, 1997, the Board issued an order transferring the proceeding to the Board and a Notice to Show Cause why the motion should not be granted. On September 11, 1997, the Respondent filed a response and motion to revoke certification.

Ruling on Motion for Summary Judgment

In its answer and response the Respondent admits its refusal to bargain but attacks the validity of the certification on the basis of its objections to the election in the representation proceeding.

All representation issues raised by the Respondent were or could have been litigated in the prior representation proceeding. The Respondent does not offer to adduce at a hearing any newly discovered and previously unavailable evidence, nor does it allege any special circumstances that would require the Board to reexamine the decision made in the representation proceeding. We therefore find that the Respondent has not raised any representation issue that is properly litigable in this unfair labor practice proceeding. See *Pittsburgh Plate Glass Co. v. NLRB*, 313 U.S. 146, 162 (1941). Accordingly, we grant the Motion for Summary Judgment.¹

On the entire record, the Board makes the following

¹ We therefore deny the Respondent's motion to revoke the Union's certification.

FINDINGS OF FACT

I. JURISDICTION

At all material times, the Respondent, a New Jersey corporation with facilities located in Marlton, Berlin, Camden, Gibbsboro, and Voorhees, New Jersey, has been engaged in the operation of a not-for-profit acute care hospital system. During the 12-month period preceding the issuance of the complaint, the Respondent, in conducting its business operations described above, received gross revenues in excess of \$250,000 and purchased and received goods and materials valued in excess of \$50,000 directly from points outside the State of New Jersey.

We find that the Respondent is an employer engaged in commerce within the meaning of Section 2(6) and (7) of the Act and a health care institution within the meaning of Section 2(14) of the Act, and that the Union is a labor organization within the meaning of Section 2(5) of the Act.

II. ALLEGED UNFAIR LABOR PRACTICES

A. The Certification

Following the election held April 12, 1996, the Union was certified on May 8, 1997, as the exclusive collective-bargaining representative of the employees in the following appropriate unit:

All full-time and regular part-time registered, graduate and pool/per diem nurses employed by Respondent at its Marlton, Berlin, Camden, Voorhees, and Gibbsboro, New Jersey facilities, including registered nurses, care coordinators, enterostomal therapists, clinical educators, clinical nurse specialists, clinical resource coordinators, outcome research coordinators, case managers, infection control coordinators, infection control practitioners, home care coordinators, flight RNs, q.a. facilitators, documentation team leaders, antenatal testing unit coordinators, community educators, and home care RNs, but excluding all other employees, supervisors and guards as defined in the Act.

The Union continues to be the exclusive representative under Section 9(a) of the Act.

B. Refusal to Bargain

Since about June 5, 1997, the Union has requested the Respondent to bargain, and, since about July 2, 1997, the Respondent has refused. We find that this refusal constitutes an unlawful refusal to bargain in violation of Section 8(a)(5) and (1) of the Act.

CONCLUSION OF LAW

By refusing on and after July 2, 1997, to bargain with the Union as the exclusive collective-bargaining representative of employees in the appropriate unit, the Respondent has engaged in unfair labor practices affecting commerce within the meaning of Section 8(a)(5) and (1) and Section 2(6) and (7) of the Act.

REMEDY

Having found that the Respondent has violated Section 8(a)(5) and (1) of the Act, we shall order it to cease and desist, to bargain on request with the Union, and, if an understanding is reached, to embody the understanding in a signed agreement.

To ensure that the employees are accorded the services of their selected bargaining agent for the period provided by the law, we shall construe the initial period of the certification as beginning the date the Respondent begins to bargain in good faith with the Union. *Mar-Jac Poultry Co.*, 136 NLRB 785 (1962); *Lamar Hotel*, 140 NLRB 226, 229 (1962), *enfd.* 328 F.2d 600 (5th Cir. 1964), *cert. denied* 379 U.S. 817 (1964); *Burnett Construction Co.*, 149 NLRB 1419, 1421 (1964), *enfd.* 350 F.2d 57 (10th Cir. 1965).

In the event that, during the pendency of these proceedings, the Respondent has gone out of business or closed the facility involved in these proceedings, the Respondent shall duplicate and mail, at its own expense, a copy of the notice to all current employees and former employees employed by the Respondent at any time since July 14, 1997.
